

Save the North Goring Gap

Persimmon Homes Ltd have applied for planning permission to build a 475-dwelling housing estate here, between the railway and the Rife, from the Ferring boundary to Goring Street.

We must do everything we can to get this application refused and prevent the destruction of our treasured Goring Gap.

Residents will be aware that this land is not identified for development in the draft Worthing Local Plan.

The Goring Gap Action Group (GGAG) mainly comprises the Goring Residents' Association, The Goring & Ilex Conservation Group, the Worthing Society and Ferring Conservation Group.

Tell Worthing Council why this estate would be such a disaster:

- Half the gap lost – the rest compromised
- landscape ravaged
- wildlife lost
- grade 1 agricultural land ignored
- a green lung destroyed

Severe impacts on the local infrastructure:

- road traffic
- rail usage
- drainage
- schools
- doctors
